

Volunteer Opportunities

Production (External Venues)

We need your help to prepare and stage a number of events at external venues and outdoor locations across Brighton. You'll be available a couple of weeks before and during Brighton Festival 2017, which runs from Sat 6 – Sun 28 May.

We're looking for reliable, confident and enthusiastic team players who will support the production team in a variety of ways. This is an ideal opportunity for developing skills and

knowledge in production and stage management. This role will involve an element of practical work.

External Venues Technical Assistant

Number of volunteers required: 1

Assisting the External Production manager with various technical tasks across the preparation and during the Festival itself. Available from end of April to 28th May.

Desirables

- Technical experience in Venues / Lighting / Sound Equipment
- Flexible (happy to work evenings and such, at perhaps short notice)
- Confident in their abilities
- Ability to use own initiative
- Happy to work alone on some tasks

External Venues Production Runners

Number of volunteers required: 3

Working between The Spire in Kemptown and other locations to collect equipment when needed. Assisting with loading in and get outs of shows, helping to ensure the event runs efficiently. Available from 1st – 28th May.

Desirables

- Friendly with some basic knowledge or interest in technical theatre
- Ability to use their initiative
- Discretion and sensitivity when working with staff, artists and companies
- Full clean driving license and their own car (preferable)
