Brighton Girls

'Brighton Girls is delighted to sponsor the Children's Parade for another year. Located in the heart of this vibrant city, we take pride in reflecting the creative and diverse community which we reside in. Our school values, Kind and Bold, underpin everything we do, fostering an environment where individuality is celebrated, and every voice is heard.

This year's parade theme, 'Our Voice' aligns perfectly with our commitment to empowering students to express themselves confidently and make a difference in the world. At Brighton Girls, we provide innovative teaching and a nurturing environment for students aged 3-18, enabling them to shape the future with their voice.'
