Brighton Festival

About the Project

Fevered Sleep are an award-winning arts organisation, making unique work that investigates the world we live in.

Our latest project, [Time Keeps The Drummer](#), is a 5 hour durational performance for family and adult audiences, performed by a cast of local children and an adult percussionist. It is about time and how children experience it.

This playful performance uses movement, projections, music and sound to create a space where time is fluid, joyful, and full of possibility, inviting audiences to rethink how they experience time

We are seeking a cast of 7-10 year olds from Brighton, and within 30 min commute, to be in our next show of our UK tour.

We're hosting audition workshops on 28th February, with the performances taking place on the 8, 9 and 10 May as part of Brighton Festival.

Timeline:

Deadline for sign up: 19 Feb 12pm

Audition workshops : 28 Feb

Rehearsals : 6 April to 7 May

Performances: 8, 9 and 10 May

Why take part?

Time Keeps The Drummer is a transformative and fun experience for the children in the cast. This is a professional project directed by artists, but made in collaboration with children who devise, rehearse and create with us to shape each performance.

We're looking for children who are curious, open to new experiences, and who love to move, play, and explore. No dance or performance experience is needed—just enthusiasm and a willingness to try something new.

Throughout the process, children will discover what it means to create, collaborate, and be part of a professional show.

We welcome disabled and neurodivergent children. For access needs, please email us.

"As a family we were so proud of Elsie and the work you all managed to achieve and so please we trusted you and your wonderful process. We feel so lucky that she has been part of such a caring and creative project."
Hayley, parent from Nottingham

"We have noticed Woody grow and be inspired by his time with you both. He has really enjoyed himself and the experience has been so positive. We will all treasure it."

Eliza, parent from London

How to get involved?

Think your child would love to take part?
Then sign them to one of our fun and free audition workshops in Brighton.
Sign up by 19th February via the QR code!
