

**Brighton Festival seeks people to participate in the performance of Dancenorth's new work *Attractor*.**

Australia's dance luminaries Lucy Guerin, Gideon Obarzanek and Dancenorth collaborate with Indonesian music duo Senyawa to create a visceral tour de force performance in which sound and movement drive each other into heightened states. Together they take you on a trance-noise odyssey that transcends all borders, a unique music/dance ritual.

***Attractor*** will be performed at Brighton Dome as part of Brighton Festival and there is an exciting opportunity for you to be a part of this! We are seeking people of all ages and abilities to participate on stage during the final 15 minutes of the 60-minute performance.

There are no prior skills required, we want people from all ages and all walks of life with a willingness and excitement to take part!

Participants need to be 14+

**Please share with friends or colleagues!**

The performances take place at Brighton Dome Concert Hall on Tue 15 & Wed 16 May at 8pm.

The rehearsal sessions for each evening performance will take place just before the show:

**Tuesday 15<sup>th</sup> May**  
**18.00 – 19.00**

**Wednesday 16<sup>th</sup> May**
