Venue Access Information

St Nicholas Church
Church Street, Brighton
This venue offers:
  • Accessible toilet
  • T-Loop system

Parking

There are no designated blue-badge bays near to the venue, however there is a single yellow line along Church Street directly alongside the Church.

Entry to the venue

Entry

Entry to the venue is via the churchyard, to which there are 3 entrances. The south entrance from Dyke Road (closest to Churchill Square shopping centre) is a very steep path with bollards reducing the width to 80cm. The rear entrances from Church Street have much flatter access and no width restriction.

Front door width: 123cm

There is a 6cm step with ramp available- please ask staff on the door to put this in place.

The flooring in the entrance lobby is flagstones which are somewhat uneven.
Venue Access Information

May 2017

Steep path with width restriction, Main entrance of the venue with ramp in place.

The Auditorium

The auditorium has a flat wooden floor. It is usually set out with rows of chairs. The aisles are a minimum of 1.2m wide.

Main church space
